

On July 16 2021, someone in Pakistan hired Mr. Robert Grenier to lobby on their behalf in DC. This was revealed due to Mr Grenier's FARA declaration of [17th July 2021](#).

1. Name of Registrant Mr. Robert Laurent Grenier	2. Registration Number 6979
3. Primary Address of Registrant 4615 28th Road S., Unit C, Arlington, VA 22206	
4. Name of Foreign Principal Mr. Iftikhar Ur Rehman Durrani	5. Address of Foreign Principal House No. 2-A, Street No. 14A, Sector F-7/2 Islamabad, Islamabad Capital Territory PAKISTAN
6. Country/Region Represented PAKISTAN	

(Background on Grenier: In 2001, [Grenier](#) was the CIA station chief in Islamabad, Pakistan, where he helped plan covert operations in support of the U.S. invasion of Afghanistan. Grenier was forced out of CIA in [2006](#).)

While ostensibly, it was Iftikhar Ur Rehman Durrani of PTI who hired him, it was the Government of Pakistan that was paying him. This detail becomes important later, as you will see.

b) Is this foreign principal:

11. Explain fully all items answered "Yes" in Item 10(b).

Item 10(b)(1): Mr. Durrani is supervised by the senior leadership of the Party, which is currently the party in government power.

Item 10(b)(3): As Mr. Durrani is supervised by senior Party officials, he is effectively under their direction, and under the direction of Pakistan government officials, as well.

Item 10(b)(4): As some of his activities are supervised, directed and financed by officials of the government of Pakistan, Mr. Durrani is effectively under their control as well.

Item 10(b)(5): Mr. Durrani disburses funds from **the government of Pakistan**.

But remember this bit. Look, both of them signed the declaration.

WASHINGTON: An American consulting firm, run by a former CIA station chief in Islamabad, has come into the limelight that was hired on behalf of Pakistan Tehreek-e-Insaf (PTI) to lobby and provide advice on Pakistan-US relations.

However, this was not accurate. And that is why we are gathered here today under this thread, dearly beloveds.

On 31st Oct 2021, the relationship (bw Grenier and GoP) ends and a [FARA Supplement](#) -- for 6 month period ending Jan 2022 -- is filed to reflect that, it includes the details of the payments sent from Govt of Pakistan (in the name of Iftikhar Durrani as frontman) to Grenier.

II - FOREIGN PRINCIPAL

7. Has the registrant's connection with any foreign principal(s) ended during this 6 month reporting period?

Yes

No

If yes, furnish the following information:

Foreign Principal

Mr. Iftikhar Ur Rehman Durrani

Date of Termination

10/31/2021

Within this short span of 4 months, Grenier gets \$150,000 for "media research". Note that the supplement clarifies that no attempt has been made to influence US foreign policy in any way. We will come back to this later too.

If yes, set forth below in the required detail and separately for each foreign principal an account of such monies.⁶

Foreign Principal	Date Received	From Whom	Purpose	Amount	Subtotal
Mr. Iftikhar Ur Rehman Durrani	07/23/2021	Foreign Principal	Consulting fee	\$50,000.00	
Mr. Iftikhar Ur Rehman Durrani	09/03/2021	Foreign Principal	Consulting fee	\$50,000.00	
Mr. Iftikhar Ur Rehman Durrani	09/27/2021	Foreign Principal	Consulting Fee	\$25,000.00

					\$150,000.00

Response to Item 11

Item 11: During this 6 month reporting period, has the registrant engaged in any activities for or rendered any services to any foreign principal named in Items 7, 8, or 9 of this statement? If yes, identify each foreign principal and describe in full detail all activities and services:

Foreign Principal(s)	Activities/Services
Mr. Iftikhar Ur Rehman Durrani	During this period, the registrant has done media research and has maintained his links with persons knowledgeable of U.S. foreign policy in Think Tanks, academia, the media and the executive branch of the U.S. government, in order to make himself currently aware of evolving U.S. government attitudes and priorities concerning U.S. relations with Pakistan. The registrant has provided open-source reports to the foreign principal regarding developments in U.S. foreign policy and, drawing on this information, has provided advice and guidance to the foreign principal regarding the formulation and conduct of Pakistani foreign policy. The registrant has not attempted to influence any U.S. government official regarding Pakistan or U.S. policy toward Pakistan.

Where have we reached? We are in January of 2022, PTI govt is still in power. For all intents and purposes, PTI govt, thru its agent Iftikhar Durrani, has given the former CIA Islamabad

Station Chief Robert Grenier the sum total of \$150,000 for research - not lobbying, mind you.

I have been a bit slow and painstaking thus far because it gets complicated from here onwards.

In November 2022, Grenier suddenly files an amendment to the Supplemental Statement of the period that ended on Jan 2022 - 11 months late, and long after PTI govt falls (in April 2022).

3. This amendment is filed to accomplish the following indicated purpose(es):

To give notice of change in information as required by Section 2(b) of the Act.

To correct a deficiency in

Initial Statement

Supplemental Statement for the 6 month period ending 01/31/2022

Other purpose (specify) _____

To give notice of change in an exhibit previously filed.

What specifically in the supplement? The item 15a.

5. Each item checked above must be explained below in full detail together with, where appropriate, specific reference to and identity of the item in the registration statement to which it pertains.

This is to add information regarding disbursements to subcontractors providing research support to the registrant under "Financial Information: Disbursements - Monies 15(a)

Amend Item(s) 15(a) for Supplemental Statement Period Ending: 01/31/2022

What is the item 15a? Its about disbursement of money. Did Grenier pay anyone on behalf of the principal (Durrani/GoP)? Turns out, yes. None other than of former Pakistani Ambassador to DC, Mr Husain Haqqani.

15. (a) **DISBURSEMENTS-MONIES**

During this 6 month reporting period, has the registrant disbursed or expended monies in connection with activity on behalf of any foreign principal named in Items 7, 8, or 9 of this statement or transmitted monies to any such foreign principal? Yes No

If no, explain why no disbursements were made.

Mr. Iftikhar Ur Rehman Durrani: It was not part of my consulting arrangement to disburse monies outside of incidental expenses and payments to consultants doing work for me.

If yes, set forth below in the required detail and separately for each foreign principal an account of such monies, including monies transmitted, if any, to each foreign principal.

Foreign Principal	Date	Recipient	Purpose	Amount	Subtotal
Mr. Iftikhar Ur Rehman Durrani			Nothing Disbursed

Response to Item 5 of Amendment

Amended Response to Item 15(a)- Supplemental Statement Period Ending 01/31/2022

Foreign Principal	Date	Recipient	Purpose	Amount	Subtotal
Mr. Iftikhar Ur Rehman Durrani	09/06/2021	Husain Haqqani	Research	\$20,000.00	
Mr. Iftikhar Ur Rehman Durrani	10/29/2021	Husain Haqqani	Research	\$10,000.00

Mr. Iftikhar Ur Rehman Durrani	-----	-----	-----	----->	\$30,300.00

Isn't that a twist?

Why was PTI giving money to Husain Haqqani and why was Mr Haqqani accepting money from PTI? Because... neither statements are true. Haqqani had a direct relationship with the actual principal. Durrani, as far as i can tell, was just on paper. This was actually partially admitted by Mr Haqqani himself.

However, one imp response he gets is from Haqqani, and he tweets about it. Haqqani says he has nothing to do with Durrani or PTI. Fahad thinks then it must be some other Husain Haqqani? Which is hilarious, because there is no other Husain Haqqani. He is one in 7 billion.

Now you know where this story is going? Keep reading, it gets wilder. In the grand scheme of things, Durrani is a non-entity. This is what actually happened.

In the summer of 2021, PTI Govt and Pakistan Army were on the 'same page'. At least that is what Imran Khan was thinking. The chess pieces on the board started moving that summer, unbeknownst to Khan. One of the first was engagement with Mr Haqqani through Grenier.

Mr Haqqani, despite being Pakistan's former ambassador to USA, was kind of a wanted man in Pakistan. This was because he fell out of the Pakistani Establishment (read Army) after the [Memogate Scandal](#). Since that time, Mr Haqqani has not set foot in the country.

Post this divorce, Mr Haqqani, once a staunch supporter of the former Pakistani military dictator Zia ul Haq, became a vehement critic of the military. Some of his greatest hits from this time include: [Why Are We Sending This Attack Helicopter to Pakistan?](#) and [Breaking Up Is Not Hard to Do - Why the U.S.-Pakistani Alliance Isn't Worth the Trouble](#)

In short, he started advocating "we" (meaning America, *clown emoji*) cut ties with Pakistan.

Remember, Grenier in his declaration said he was doing research, not lobbying, Haqqani says he was doing research and not lobbying. But watch what Haqqani says and does as soon as

he gets his first payment on 3rd Sep 2021. On 10th Sep 2021, he writes the [following article](#).

US-Pakistan relations need more candor

"There is a case for a new round of Pakistan-U.S. engagement, albeit on a more candid and realistic basis. Given the American withdrawal from Afghanistan and the need for ensuring another friendly anchor in this very troubled part of the world, Pakistan could be a useful American partner if it wants to be one," He says. A SUDDEN SHIFT!

Magic? Hardly so.

Thats not all. In Sep-Oct 2021, Bajwa along with the then DG ISI [visit UAE](#). According to a reliable source, Mr Haqqani is invited by the rulers of UAE to hold a private meeting during this visit. There he meets Gen Bajwa, Gen Faiz and other Pak Army officials. This is the first thaw in years.

In this meeting, Mr Bajwa puts his issues in front of Mr Haqqani. He needs something. Mr Haqqani does not have issues with those needs, all present, however, have an issue with Mr

Imran Khan, the then PM of Pakistan. Who, at this moment, is ignorant of all this.

Some understanding is reached in this meeting. Mr Haqqani to stay directly in touch with Gen Faiz and Bajwa. Keep it on the low till VoNC happens, and then go all out to support a Bajwa-led "reset of Pak-US relationship" after the success of VoNC. Hence, till April, there is no mention of Haqqani in any Fara declaration.

On 10th April 22, PTI is removed from power through no confidence motion. Haqqani Supports this, supports the military over the civilian govt. He fawns over Bajwa just before the VoNc goes thru.

We know what happened after that.

Curiously, in April 2022, Mr Haqqani starts working on a report on reestablishing US-Pakistan relations -- the "Bajwa-led reset".

@safridis, a Pakistani researcher based un UK fills an important [gap here](#), turns out, the regime change operation in Pakistan was not initiated by USA. Turns out, Bajwa was trying to decieve all players at one. To Imran Khan he said 'US is coming for you', to US he was signalling 'IK has it in for you'. By pitting these against each other, he was building space for himself.

Saeed Afridi @safridis · Oct 23

Preliminary investigations in Washington clarified that no such intervention was intended or sanctioned, at any important level in the US Govt.

However, when IK presented traceable, all be it circumstantial, evidence it led to some red faces in US-Admin & State Dept

Saeed Afridi @safridis · Oct 23

How then was IK able to present any evidence at all & do so while publically naming the Asistant Secretary of State for South & Central Asia as the source?

How was this possible when there was no US Govt sanctioned 'conspiracy'(plot etc) to remove IK from office?

Saeed Afridi @safridis · Oct 23

What is now clear,& beyond doubt, the Bureau of Central & South Asian Affairs(BCSAA)'s head did express displeasure with IK-Govt's direction within its(BCSAA's) purview & indicated that greater US economic & military assistance would be predicated on a change of PM & policy

 **Saeed Afridi** @safridis · Oct 23

However, this was in no way a concerted policy sanctioned by the State Dept, White House or the Senate Committees but 'merely' the BCSAA's head's desire, steeped in departmental bias, which would have led to further dialogue & diplomacy in any functional country

And who was his trusted partner in all this? Who was to lobby in DC that Bajwa is The Man When Shit Goes Down? It is the Pakistani military stupid, he says, not the Pakistani Govt, not the Pakistani, people, that should be important for DC. Our boy used to believe in civilian supremacy a while ago. Sad.

Anyway. It is Oct 2022, the moment of truth has come. Mr Bajwa is to arrive in DC to see his wishes come true. This is what all the lobbying was for. This is why Imran Khan was removed. Mr Bajwa wants an extension and he finally has to sell it in DC. The new trusy sidekick, Haqqani, has finally prepared the report he was working on.

The report is called "U.S. Re-Engagement with Pakistan: Ideas for Reviving an Important Relationship -- Report of the Pakistan Study Group".

U.S. Re-Engagement with Pakistan: Ideas for Reviving an Important Relationship

Report of the Pakistan Study Group

Members of the Study Group:

Kamran Bokhari, Director Analytical Development, New Lines Institute for Strategy and Policy

Ryan Crocker, former U.S. Ambassador to Pakistan

Toby Dalton, Co-director and Senior Fellow of the Nuclear Policy Program at the Carnegie Endowment for International Peace

Husain Haqqani, Director South & Central Asia, Hudson Institute

Uzair Younus, Director Pakistan Initiative, Atlantic Council

(Note: Individuals have signed on to this report in their individual capacities. Listing of organizational affiliations are for identification purposes only and do not represent organizational endorsement of the findings in the report.)

The gist of this report is in its recommendations. Basically, build a relationship with Pakistan Army, because it is indispensable.

- It is not in American national security interests to isolate Pakistan or irreparably breach the relationship. A normalization of Pakistan's cooperation with the U.S. remains in the U.S. national interest
 - Decades of American efforts to strengthen Pakistan militarily have not resulted in Pakistan's changing its views on India. The cutting off of military ties, even educational and training endeavors, has had an adverse effect by preventing the U.S. from developing relationships with the rising officer ranks of the military. Maybe, it is time to understand that engagement should continue, even in the absence of large-scale military aid and transfer of equipment.
 - Differing views on Afghanistan and presence of American and allied troops in that country led to counterterrorism conditions being placed on any military aid given to Pakistan. For years various agencies of the U.S. were divided over the nature and extent of Pakistan's support to the Afghan Taliban, but no one disputes that anymore.
 - With American withdrawal from Afghanistan, the value of intelligence sharing to combat terrorism has grown and the two sides need to find a way to overcome suspicions and other obstacles that have impeded cooperation. The U.S. will need to keep an eye on terrorist groups, both domestic and global, and Pakistan
-

While this report carries the names of many known scholars, none of them, it is reported, actually contributed the report. For example, ask Uzair Younus @UzairYounus which part of the report he wrote and i doubt he will give you a satisfactory answer. It is not because he is evil, but because he is stupid.

Which brings me to the most hilarious part of this long long thread. Uzair, may God bless this simpleton, is such a dum dum that while everything has happened under his nose, his name is on the report that Haqani charged \$30,000 for, yet he has been unable to put 2 and 2 together.

To sum it up:

- It was not PTI that paid Grenier, or Haqqani, it was Bajwa.

- While this money was not technically (legally) for lobbying, this is actually what ended up happening because of this spending, and this was the intent.
- The purpose was to build a pro Army pro bajwa narrative in Dc while VonC went down in Pakistan.
- The purpose was to protect Bajwa from fallout in wake of VoNC.
- And the purpose was to seek extension for Bajwa so he can do a "Bajwa-led US-Pak reset" that nobody in Pakistan could do.

So what happened to the contract with Grenier that ended in Oct 2021? Was it ever renewed? Did he ever get more money?

Of course. In June 2022, the contract was renewewed again as we can see in a new FARA daclaration [filed in Oct](#) of this year.
